CARNATION

Our Natural Seduction line showcases the unmatched charm of Colombian carnations — 100% fresh from the farm, with exceptional quality and vibrant colors.

We offer **55 standard carnation varieties** and **34 spray varieties**, all grown in Colombia's rich, high-altitude soils, where perfect conditions create strong, long-lasting blooms.

With Natural Seduction, we invite the world to experience the elegance, versatility, and irresistible allure of Colombian carnations.
